20                  CASE NO. C23-17 MJP

21                  ORDER GRANTING MOTION TO  
22                  CORRECT JUDGMENT

23                  This matter comes before the Court on Plaintiffs' Motion to Correct the Judgment. (Dkt.  
24                  No. 169.) Having reviewed the Motion, Defendants' Response which sets forth Defendants' non-  
opposition (Dkt. No. 180), and all supporting materials, the Court GRANTS the Motion.  
Although Plaintiffs agree the judgment accurately reflects the jury's total compensatory and  
punitive damage award for each Plaintiff, they ask the Court to break down each Plaintiff's  
punitive damage award by Defendant. The Court finds this request to be reasonable and

1 appropriate under Fed. R. Civ. P. 60(a). The Court DIRECTS the Clerk to enter an amended  
2 judgment that contains the additional per-Defendant detail for each Plaintiff's punitive damage  
3 award, which is otherwise already reflected in the jury's verdict. (Dkt. No. 164.)

4 The clerk is ordered to provide copies of this order to all counsel.

5 Dated July 25, 2024.
